UNIVERSITY OVERVIEW

Xi'an Jiaotong University offers separate six-year English-taught programmes in Clinical Medicine and Dentistry. MBBS study includes Chinese and medical terminology, basic medical sciences, clinical subjects and supervised hospital internship. Dentistry combines basic medicine with oral sciences and a one-year clinical internship. Each degree has its own entry and CSCA requirements.

KEY ENTRY REQUIREMENTS

- 01 Age and education.** Non-Chinese ordinary-passport holder, under 25, healthy; high-school qualification or advanced diploma. Graduating applicants need the final diploma before registration. Under-18 applicants require guardian authorization.
- 02 English.** IELTS 6.0, TOEFL 80, Duolingo 110 or university-accepted equivalent. Native-speaker exemption requires university assessment.
- 03 MBBS tests and selection.** CSCA Mathematics and Chemistry in English; document review and comprehensive interview. Nationality-history cases require additional approval. BDS has separate programme conditions: FirstLiners coordinates its CSCA subjects and checklist.

REQUIRED DOCUMENTS

YOUR APPLICATION DOCUMENTS

Clinical Medicine document checklist. Other degrees have their own requirements; FirstLiners coordinates your complete file.

- ☐ **Online application.** Prepare the XJTU international-student application with FirstLiners for coordinated online submission.
- ☐ **Notarized diploma.** Notarised high-school diploma. Other-language certificates need an official notarised Chinese/English translation. Current students may first supply school-issued pre-graduation proof; provide the final diploma by the registration deadline.
- ☐ **Notarized school transcripts.** All high-school courses and an explanation of the school's grading scale; translations into Chinese/English must be notarized.
- ☐ **School-leaving/standardized results.** National unified examination or international standardized examination results, such as A-level or IBDP.
- ☐ **English language certificate.** IELTS 6.0, TOEFL 80, Duolingo 110 or another university-accepted equivalent. Submit the official certificate unless XJTU approves an exemption; native English speakers are assessed by the university rather than automatically waived.
- ☐ **CSCA report.** MBBS: Mathematics and Chemistry from English papers. Supply the scanned score report to FirstLiners. BDS has programme-specific subject requirements.
- ☐ **One school recommendation.** One recommendation from the high-school headmaster or a teacher. It must be signed and include both telephone and email contact details; a study plan does not replace this letter.
- ☐ **Study plan.** At least 600 words/characters in English or Chinese. Prepare the plan for the degree selected in your application; it is separate from the school recommendation, academic records and language evidence. Follow any university template provided through FirstLiners.
- ☐ **Passport.** Ordinary passport valid for at least six months beyond intended enrolment. Under-18 applicants require guardian authorization, and relevant nationality-history cases need evidence under national and university rules; FirstLiners obtains the exact supporting forms.
- ☐ **Medical examination.** Foreigner Physical Examination Record in Chinese or English. Complete all tests and attach a photograph with seal, the doctor's opinion and signature, and the hospital seal. Valid for six months: arrange it against the intended submission date rather than using an expired report. Check that all required sections are completed.
- ☐ **Non-criminal record.** Certificate within its validity period.
- ☐ **Supporting documents.** Additional evidence where applicable. Upload clear scans, rather than phone photographs. Originals are checked at registration. FirstLiners coordinates the separate BDS document checklist.
